

Hi Everybody!

Hope you all had a very Merry Christmas, and that the New Year is also great! Our next NADAC trial will be held here at the school on January 8 & 9, 2011. This will be a real fun one to watch, since it's all games. There's plenty of room for spectators. Parking will be in the Basic Agility field, and the ring will be set up in the Advanced Agility field. The pole barn will be used for caring. We have a great food vendor as well, so everyone is invited to come and watch!

For those planning to enter their dogs, pre-entry packages close on Thursday, December 30. We will, however, be having day of show entries.

### **From Alison Barrick**

A friend of Alison's needs to find a good home for her dog. It is a seven-year old golden retriever/german shepherd mix named Sam. He's a healthy, happy, good-natured dog, but he's really nervous around small children. Unfortunately, despite their best efforts, their two-year-old plays too rough with him and terrorizes the poor guy. With two little children at home and very little time, they haven't been able to give him the attention or quiet environment he deserves. After much soul-searching, Allie and Scott have decided to give him away to a good family without small children. If you know a family interested in adopting their dog, please give them their cell # 727-642-0765 or send their contact. Even if you know of someone who lives out of state, They would be willing to pay transportation costs. They want to find Sam a good home.

Thanks!

Allie Lyon

### **From Barbara Layton**

Reese is a Boxer/Bulldog mix, dark brindle and really flashy that needs a new home. His owner went to college and Reese is alone all day. Reese is neutered, up to date in all his shots, well behaved and housebroken. I am not sure of the contact information for Reese, but if you're interested, email Barbara at [barblayton@tampabay.rr.com](mailto:barblayton@tampabay.rr.com).

### **Oprah Needs a Home!**

Oprah, is the mother of Catherine Chandler's Jacob. She is a real sweetheart. She has a beautiful black coat when it grows out. She is very gentle, as are all Tibetan Terriers, and deserves a great home. Her owner has hurt herself in a fall and can no longer take care of Oprah.

Catherine is currently overseas serving our country. Any help you can give finding

Oprah a loving home would be wonderful.

Oprah's Bio:

Oprah (Rainbow's Bright Sky)

DOB April 1, 2000

Oprah is a mild tempered friendly Tibetan terrier. She loves the outdoors and loves to hunt.

Oprah is gentle with people and does not jump all over and she does not jump to your face in an over excited way. She does not try to "herd" people.

She has always been loved and cared for in a warm and nurturing environment. She loves popcorn and will rest her head between your knees waiting for her share. She is loyal, calm and peaceful.

Caution should be taken around small furry and feathered animals. Oprah is a huntress and will try to go for a cat, bunny, chicken or duck, etc. She has only been around other Tibetan Terriers so it is unknown how she would react around other dogs, especially smaller breeds. She has had exposure in the dog show arena.

She walks on a leash wonderfully, and may need to be re-housebroken. Oprah enjoys being with her friends and family and enjoys being groomed. She is keen and sharp and is as full of energy as a puppy.

Due to the owner's physical constraints, regretfully, Oprah must be placed in a new and loving home.
