

" I think animal testing is a terrible idea; they get all nervous and give the wrong answers"... Author Unknown

Hi Everybody!

Our Teacup Dog Agility trial of February 14 & 15 was a lot of fun! It was a small trial, as there were a lot of things going on that day, but the weather was great for running agility and we had a lot of day of show entries. We will be having another Teacup Dog Agility trial on April 11 & 12.

Our next trial here will be a NADAC trial on March 21 & 22. This trial will have all the classes: Regular, Jumpers, and Chances as well as games classes. The premium for that trial is already ready for downloading at www.coolcritters.com.

Pre Dog Show Days

Do you remember when...

...you heard the term "well groomed" and thought people were talking about you?

...pockets were not a big factor in buying new clothes?

...you spent more time on your hair than on your dog's?

...legs meant those appendages that we walk on, and they came only in sets of two?

..."CHARGE!" was something you did with a credit card?

..."walk through" was something you did in the store?

...liver was something your mother made you eat once a week?

..."go out" was something you did on weekends?

..."weaving" was something that your great-grandmother used to do?

..."titles" was something related to Europeans?

...gamblers went to Vegas?

...PVC was used underground instead of on top of the ground?

..."A-Frame" was a style of house?

...elevated ramps were called "cat-walks" instead of "dog-walks"?

...dogs were never allowed on tables?

..."contacts" were important people to know?

...weekends were for sleeping late?

..."catalog order" meant buying through the mail?

...we bought vehicles without measuring for crates in the back?

...and now, time for a paws...
