

Hi Everybody!

Our NADAC Thanksgiving Trial of November 30, January 1 is fast approaching. Everybody is welcome to come and watch. We always need lots of help especially setting up and taking down. Set up and take down will earn those helpers a 4 week class card. We will be setting up after the 10AM Intermediate Agility class on Friday, November 29.

We now also have a food vendor that will provide breakfast and lunch at the trial. Thanks to Barb Layton, Davy Miles from Plant City will do our concession.

The premium for the NADAC Games trial of January 4 & 5, 2014 has been approved and is now available for downloading at [www.coolcritters.com](http://www.coolcritters.com). NADAC games are a blast, and we have a really nice judge coming!

### **Run-Thrus**

For people who want to practice on the NADAC equipment, we will be doing run-thrus on Saturday November 16 from 9AM to 12AM. Run-thrus will be \$5 for the first run, \$2 for the second dog and \$10 for unlimited runs by one dog.

### **A New Company**

I don't know if you have noticed the t-shirts that I have been wearing with the graphics: "Life is Woof". These shirts are created and marketed by my friend Sharon Snow.

According to Sharon, Life is Woof is a company founded in Florida by two people with the help of their furry companion, Bailey. The company is dedicated to making the world a better place for Dogs in need. **Ten percent** of the net profits will be given to Animal protection societies dedicated to improving the lives of animals through research, education, advocacy for better protection laws, and service in animal rescue and sanctuary.

Dogs, like Angels, bring the gift of Love to us mere mortals, making the world a better place. This product line will continue to reflect the many contributions dogs make in our lives and the world around them.

It was a cold day in December and Sharon with her fiancée had invited several of their closest friends to for dinner. The conversation focused on the hectic nature of their current lives. Working in corporate companies, which left little time for the things they valued most in life, which were family and friends, participating in cherished sports of martial arts and mountain biking, volunteer work in their communities along with other basics of enjoying the simple pleasures of life.

It was during this conversation that Sharon asked the question, "If you could have someone else's life, who would it be?". There was a moment of silence and then laughter as they looked at their dog Bailey. A precious ten year old Shih Tzu, who was snuggling by the fire in his new fleece jacket. His life was filled with joy, unconditional love, freedom, living in the moment and enjoyment of the simple things in life. At that moment "Life is Woof" and "Life is Meow" was created.

Their product line has started with tees – and they will continue to add more products in the near future. For an example of their tees, please visit

Life is Woof will be one of the vendors at our Thanksgiving NADAC trial.
