AWARDS

Placement ribbons will be awarded to first through fourth place in each jump height for each class, except Chances which is a pass/fail class. Skilled and Proficient categories will be combined for placement ribbons. A purple qualifying ribbon shall be given for each qualifying round. Title ribbons will be available. There will be a special award for NATCH and Vers. NATCH!

All ribbons must be picked up at the trial. No ribbons will be mailed!

INTRO LEVEL

Intro level courses are shorter than Novice. The only Intro level class with weaves will be Intro Weavers and it will have one set of 6 poles; no other Intro classes will present weave poles. The Intro level will have no tunnel/contact discriminations.

The Intro level is a full titling level with the basic titles at 30 points, Outstanding Performance at 60 points and Superior Performance at 100 points for Chances, Jumpers, Tunnelers, Weavers, and Touch N Go, For Regular the basic title is at 30 points, Outstanding Performance is at 100 points and Superior Performance is at 200 points.

THIS IS A CONTAINERIZED TRIAL

FOOD/TOYS IN POCKET: Food or a small noiseless toy may be carried into the ring in your pocket provided it is contained in a ziplock bag or small container such as a pill bottle. The container cannot be visible in the ring nor within 10 feet of the ring. You cannot indicate to your dog that you have this item on you i.e. patting your pocket. You are not allowed to remove the container until you are at least 10 feet outside the ring. All food and toys must be contained at the trial and none can be left lying about loose. This policy has been implemented to reduce the possibility of dogs fighting over loose food or toys, diminish dogs dragging their handlers back to their crates (or wherever they left their food), and to lessen the amount of insects that are around loose food.

IMPORTANT!

Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately.

NADAC records trial results as they are submitted by the host clubs/groups. The individual trial results submitted by the club are uploaded to <http://NADACforum.com> within two weeks after the NADAC office receives them from the club. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club, are correct. If you find an error in the reporting of your dog's qualifying points or registration number, please contact the host club. The host club is responsible for correcting any errors and informing NADAC.

Levels. Points earned at a higher level of a class, prior to the completion of the lower level title, will not be banked by NADAC for future use. If a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.

NON-JUMPING CLASSES: VETERAN OR DISABLED HANDLER

Handlers who are 60 years or older, or who have a disability that restricts mobility, may choose to enter the non-jumping classes as a Veteran Handler and receive 10% more standard course time. In the non-jumping classes, dogs will be scored and placed with their Standard Division jump height.
